

LARDNER XC REPORT – SAT MAY 17, 2014 ISAAC HOCKEY

A refulgent sun politely shone over us as we ran around the undulating course at Lardner Park yesterday, a stark contrast from the past few years. It was an impeccable afternoon and it resulted in much faster times in comparison to last year's wet affair. Despite a battle of attrition with the GOR, we managed some excellent results and it made for a great day!

As always, we had a very strong junior division contesting at Lardner Park. Corrin Demeo was at the forefront of the action, finishing second in the U18 women's 3km, followed by teammate Rachel Waters in third. Including Morgan Costelloe (9th), the girls convincingly claimed maximum team points!

Nick Wightman led the Geelong contingent in the Premier Men's Division, and flew home in the late stages of the race to break away from a group of three runners and finish second.

Doubling as the Victorian Country Championships, we crowned three new Country Champions: Corrin Demeo, Heidi Demeo and Isaac Hockey.

Many thanks to those who competed and assisted the team in the absence of many on the GOR, in particular Peter Samon for transporting the tent and Steampocket goodies, and Sally Hockey and Sharon Pederson for some great photos which can be viewed on Facebook.
